

Winter Teen Retreat Registration Information

Before you register, make sure you have a good idea of how many people will be attending, including your youth leaders and teens. You will need at least one leader per ten teens (per gender). Always round up on how many leaders you need (example: 11 female teens requires 2 female leaders). You will have to pay the deposit for everyone that you think is attending when you register. The deposit is \$30 per person. The deposit is non-refundable and non-transferable, which is why you will need to know about how many people you are going to have.

Once you have registered, you can only add more campers if there are additional spots open and you pay the additional \$30 deposits. There is an “edit” button on your registration that will allow you to do this. If you need more spots and there are no more spots available, you can email calebh@campbarakel.org, and our registrar can put you on a waitlist. You are free to swap around how many female teens, male teens, and leaders you have as long as you stay within the total number that you have registered for. The edit button on the registration allows you to make this change as well. So, if you lose one guy and gain one girl, for example, that is fine. You can make that adjustment on your registration.

You will also need to fill out our Ministry Partner Agreement, which you will receive after you register. Each parent needs to fill out a liability waiver for their teen(s). The leaders will fill their own out. The waivers will be sent to you after you register as well. We need paper copies of these waivers at check-in when you arrive.

Before you register, please make sure you have an account on our Camp Barakel website and put in your contact information. You can then go to “events” and scroll down to the retreat you would like to register for and hit “register”. You will become the primary contact for your group if you are the one who completes the registration. During the registration process, you will need to put in the number of female teens, male teens, female leaders and male leaders that you plan to bring. Next, you will make the \$30 deposit payment for each person you intend upon bringing. You do NOT need to put in contact information for each teen. We just need the numbers. Once you register, you will receive a confirmation email with more information.

Thanks for considering joining us at one of our Teen Retreats. We hope to see you here!
